Late Shree Govindrao Wanjari College of Education tries to imbibe moral values such as professional ethics, effective nurturing and also strives to develop all round personality of students through capacity building and skill enhancement initiatives. There are many ways of capability building and skill enhancement.

To enhance career prospects, the institute helps building of capabilities through both academic and co-scholastic activities. Students are oriented by faculty members to know the student strengths. The college also arranges some workshops, seminars as well as guest lectures. The internship provides exposure to teaching eco-system and its needs. By pedagogy, the students become familiar and well versed in language, content knowledge and communication skill which helps in building confidence. To acquire technology skill, students learn to use ICT and preparation of PPT and other digital tools.

To develop capability for online assessment of learning, the college organized workshop on designing of assessment tools and preparation of blue print offline as well as online.
